The Studio Café

A Usual Place Enterprise

The Studio Café at Gracefield is a Usual Place Enterprise. The Usual Place is an award-winning organisation, a World Host Destination and a Disability Confident Leader.

We first opened our doors as a community café in a restored church on Academy Street Dumfries in 2015 and provide training, education and employability skills for young people with additional support needs.

Many of the young people who have thrived through our programmes would previously have been invisible, excluded, at risk of isolation and loneliness and importantly, unable to fulfil their potential as valuable, active citizens contributing positively to their communities.

We focus on promoting the innate talents and capabilities of young people, enabling and empowering them to flourish, and challenging stereotypes.

All the money we make in The Studio Café and The Usual Place Café is used to cover business costs in support of our aims.

All food is freshly made, prepared to order and ingredients are locally sourced where possible
