Our Core Values

Everyone is of equal worth

Everyone can contribute to their community

Everyone should be treated with dignity and respect

The Usual Place is an award-winning organisation, a World Host Destination and a Disability Confident Leader.

We first opened our doors as a community café in 2015 and provide training, education and employability skills for young people with additional support needs. Many of the young people who have thrived through

our programmes would previously have been invisible, excluded, at risk of isolation and loneliness and importantly, unable to fulfil their potential as valuable, active citizens contributing positively to their communities.

We focus on promoting the innate talents and capabilities of young people, enabling and empowering them to flourish, and challenging stereotypes.

All the money we make in the café, and from room and event rental is used to cover business costs in support of our aims.

Every area of The Usual Place is fully accessible and wheelchair-friendly throughout.

We also have an award-winning Changing Places Toilet

We have rooms available to hire for meetings and events. Please see our website for more information. We are a very busy café and tables can be booked in advance by calling 01387 253485
